

# List of Scientific Works

Sébastien Lérique

## 1 Articles under review in peer-reviewed journals

*"The semantic drift of quotations in blogspace: a case study in short-term cultural evolution"*, Sébastien Lérique and Camille Roth. *Cognitive Science*:<sup>1</sup> 2<sup>nd</sup> version currently under review (the editor requested a major revision to the version initially submitted). Manuscript available at [hal.archives-ouvertes.fr/hal-01143986](http://hal.archives-ouvertes.fr/hal-01143986).

*"Pour une étude du contexte d'interprétation"*, Sébastien Lérique. *Travaux de linguistique*:<sup>2</sup> initial proposal accepted (abstract) for a special issue on *"Les mêmes langagiers : Propagation, figement et déformation"*, full manuscript currently under review. Manuscript attached in the grant application folder.

## 2 Communications

*"Cultural attractors by iterated sentence reformulation: elements of the cognitive story in complex contagion"*, Sébastien Lérique and Camille Roth. Talk at the *Data Driven Approach to Networks and Language* workshop, ENS Lyon, May 2016.

*"Pour une étude du contexte d'interprétation"*, Sébastien Lérique. Invited speaker at the workshop *Les Mêmes Langagiers* organised by Antoine Gautier and Gilles Siouffi, Université Paris-Sorbonne, December 15, 2015. Slides available at [slides.com/seblerique/pour-une-etude-du-contexte-d-interpretation](http://slides.com/seblerique/pour-une-etude-du-contexte-d-interpretation).

*"Empirical Attractors in Sentence Reformulation Processes"*, Sébastien Lérique and Camille Roth. Talk at the *Conference on Complex Systems 2015*, Arizona State University, September 2015. Slides available at [slides.com/seblerique/ccs15-empirical-attractors-in-sentence-reformulation-processes](http://slides.com/seblerique/ccs15-empirical-attractors-in-sentence-reformulation-processes).

*"Cultural Epidemiology. A quest for ontologies where the social and cognitive sciences can meet"*, Sébastien Lérique. Poster at the *Journée scientifique des doctorants de 1<sup>er</sup> année*. Poster available at [hal.archives-ouvertes.fr/hal-01144051](http://hal.archives-ouvertes.fr/hal-01144051).

*"Pocket Science. Easing development of political, scientific, and citizen apps"*, Vincent Adam, Sébastien Lérique, and David Chavalarias. Talk at the *Citizen Cyberscience Summit 2014*, University College London, February 2014. Slides available at [daydreaming-experiment.github.io/presentation-ccs2014](http://daydreaming-experiment.github.io/presentation-ccs2014).

*"Daydreaming: Exploring mind-wandering with smartphones"*, Vincent Adam, Sébastien Lérique, Florence Ruby, Haakon Engen, Gislain Delaire, Tal Yarkoni, and Jonathan Smallwood. Talk at the *Brainhack 2013* conference, Paris, October 2013. Slides available at [daydreaming-experiment.github.io/presentation-brainhack2013](http://daydreaming-experiment.github.io/presentation-brainhack2013).
